### Importing Goods To New Zealand

#### **Importing Personal Effects**

Shipments of household goods and personal effects are allowed duty free entry, provided that they have been owned and used for at least 12 months prior to importation.

#### **Documentation**

Britannia and our agents will assist you to complete the customs formalities. To assist us with this please let us have a copy of your passport (and visa if applicable).

Our Britannia agents will supply you with the appropriate import documentation before the arrival of your goods: which you must complete to facilitate the clearance of your consignment.

To avoid additional charges it is essential that documentation is completed and returned promptly.

#### **Prohibitions and Restrictions**

In general it is in your interest not to import the following items.

- Firearms & ammunition
- Inflammable goods & substances
- Plants & plant material
- Foodstuffs, perishables or otherwise
- Alcohol, narcotics and dangerous goods
- Pornography

#### **Transit Times**

Groupage or shared load consignments usually take 8 to 14 weeks door to door. However, this can vary depending on volumes being shipped, customs or immigration delays and prevailing weather conditions.

Sole use containers usually take 6 to 8 weeks port to port, and there is a weekly service to all major ports.

#### **Computer Tracking**

Through satellite and computer technology we are able to monitor the progress of your consignment.

#### **Bar Coding**

All Groupage consignments will be bar coded before they are loaded into the shipping container. This will ensure that no items are left at origin.

#### **Domestic Pets**

Britannia can recommend a specialised shipper of animals to assist you in sending your family pets from home to home. They will coordinate all documentation and necessary veterinary procedures.

#### **Motor Vehicles**

There are few countries outside the EU where it is practical or possible to send motor vehicles. Your local Britannia member will be able to guide you further on this.

### Welcome To Britannia New Zealand

#### **Customs clearance**

It normally takes 5 to 14 days for customs clearance and delivery. The time taken to clear goods through customs can be affected by Government policy, X-raying of goods, physical inspection, volume of traffic and the levy of any import duties or taxes. Charges raised by customs or quarantine officials will be paid for by our Britannia agents, who will seek reimbursement from yourselves prior to delivery.

#### **Storage**

Should you require storage prior to delivery this can be arranged. You should expect to pay a one off storage handling fee, plus a monthly storage charge N.B. these charges are payable locally. It is vitally important that you ensure that your marine insurance policy is extended for the period of the storage.
